Simply sit back and let us pamper you, while we take care of the details.

CHAMONIX MONT-BLANC

Chamonix, at the foot of Mont-Blanc, is best known as the skiing and alpine capital of the world. As a destination, it has a reputation for being extreme, which is undoubtedly true. But there is so much more to discover: a wide array of sporting and leisure activities, peace and quiet, great nightlife and superb scenery that can be enjoyed at any pace. There really is something for everyone.

CHALET AMAZON CREEK

"Amazon Creek create tailored packages for unforgettable corporate retreats. If you or your company wish to take a group of your top clients, high performing staff or VIP guests on a break overseas, we will take all of the hassle away from you."

CORPORATE EVENTS

We offer first class service and innovative itineraries to suit any corporate occasion. We can arrange accommodation, conferences, and group dining in our luxury properties. Our portfolio of properties offers accommodation and business facilities for either smaller teams or larger groups of up to 30 guests on one site, or more across our portfolio.

The specially designed itineraries immerse guests in a spectacular landscape and offer a myriad of activities, which are carefully designed by your devoted private concierge. From short stay ski weekends to summer alpine mountaineering adventures, beach yoga or water sports activities. Anything is possible.

LUXURY SPORTS TRAINING AND WELLNESS RETREATS

A well organised fitness or wellness retreat can be truly life changing, offering an escape from your day to day routine to focus on your body and mind, goals and health. From energetic ski or triathlon training to restorative yoga and meditation, and everything in between, our properties provide the ideal base. With a combination of inspiring landscapes and expert knowledge, we can assist in creating the perfect 5 star luxury retreat.

“This was a holiday of a lifetime. The amazing place, the rooms. A touch of luxury in every aspect and five star service that will linger in the memory for a long time.”
