''I would more consider this your own private hotel than a chalet rental. We were blown away by the house, the service, and the location. I would easily come back here any month of the year. I highly recommend the catered option - The food was fantastic and the house wines were great. Can't wait to visit again''

“We had a fantastic stay — everything was perfectly organised, from the beautiful chalet to the amazing food and all the outdoor activities. The team took care of everything, which made it a truly relaxing and enjoyable experience. Highly recommended!”

“Beautiful place, amazing food, fantastic service. Could not have asked for more. Thank you for making us so welcome. We will be back!.”
